5. The observation of hearing committee based on the submission made by the college representatives during hearing and assessment report of the NCISM have been carefully re-examined in terms of Regulation 3 of the "Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Ayurveda Colleges and attached Hospitals) Regulations, 2016", "Indian Medicine Central Council (Post-Graduate Ayurveda Education) Regulations, 2016" and provisions under the NCISM Act, 2020 and relevant regulations there under, and the recommendation of Hearing Committee was placed in the **97th Board meeting** of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) **held on 12.07.2024.**

6. Whereas, in view of the aforementioned shortcoming and deficiencies and as per the observation of Hearing Committee based on the submission made by the college representatives during hearing and assessment report has been carefully examined in terms of concerned Regulation and provisions under the NCISM Act, 2020 and relevant regulations thereunder and it is found that the **college is not fulfilling the basic eligibility criteria for issuance of conditional permission with 60 seats (75 seats including EWS) in UG (BAMS) course as per regulation 3(3) of MSR-2016 under section 28 of NCISM Act 2020. However, Board decided to issue conditional permission as per the approved Seat Reduction Policy in accordance of Section 28 (1) (f) of NCISM Act 2020 for failing to maintain the minimum essential standards for the academic session 2024-25.**
As per the seat reduction policy-

a) ***"For every 10% deficiency in Hospital staff, seat reduction in the intake capacity shall be considered by reducing the intake strength by one seat."***

Accordingly as per Schedule-IV Note (5) of MSR 2016 for conditional permission, minimum eighty percent of above hospital staff shall be required. As per the Hearing Committee observation and approval of Minutes in the 97th Board meeting of MARBISM, college is having only 69.3% of Hospital staff and there is **shortcoming of 10.7% in Hospital staff which is rounded off to 10%. Therefore, in accordance of seat reduction policy 2024-25, seat reduction in the intake capacity shall be considered by reducing one seat of the total intake capacity.**

b) ***In case of non availability of computerized central registration system seat reduction in the intake capacity shall be considered by reducing the intake strength by one seat.***

There is non-availability of computerized central registration system. Therefore, in accordance of seat Reduction policy 2024-2025, seat reduction in the intake capacity shall be considered by reducing the intake seat strength by **one seat.**

c) ***For every one percent deficiency in Bed occupancy, seat reduction in the intake capacity shall be considered by reducing the intake strength by one seat.***

As per the Hearing Committee observation and approval of Minutes in the 97th Board meeting of MARBISM, the average bed occupancy percentage of the college is only 42% and there is **shortcoming of 8%. Therefore, in accordance of seat reduction policy 2024-25, seat reduction in the intake capacity shall be considered by reducing eight seats of the total intake capacity.**

Therefore, after applying the seat Reduction Policy, college is fulfilling the basic eligibility criteria for issuance of conditional permission with 50 seats (62 seats including EWS) [instead of 60 seats (75 Seats including EWS)] in UG (BAMS) course for the academic session 2024-25, under section 28 of NCISM Act, 2020.

7. Therefore, in view of the shortcomings and deficiencies mentioned as above, conditional permission is granted to **Govt. Gurukul Ayurved College, Gurukul Kangari, Haridwar-249404, Uttarakhand (Inst. ID:- AYU0239) with 50 seats (62 seats including EWS) [instead of 60 seats (75 Seats including EWS)] and 12 seats (15 Seats including EWS) in 05 PG courses in the subject namely- (i) Panchakarma-03 seats (04 seats including EWS) (ii) Kayachikitsa - 03 seats (04 seats including EWS) (iii) Shalya Tantra - 02 seats (03 seats including EWS) (iv) Shalaky Tantra- 02 seats (Without EWS) (v) Kaumarbhritya- 02 seats (Without EWS) for the academic session 2024-25, under section 28 of NCISM Act, 2020 and relevant regulations there under.**

- (i) It is further informed that minimum **15% of undergraduate seats** of the permitted intake capacity of **with 50 seats (62 seats including EWS) [instead of 60 seats (75 Seats including EWS)]** and **15% of postgraduate seats** of the permitted intake capacity of **12 seats (15 Seats including EWS) in 05 PG courses** shall be treated as all India quota. The counseling for seats under all India quota shall be conducted by respective counseling authority as designated by Central Government for A.Y. 2024-25 and counseling for the remaining 85% seats or as the case may be, shall be conducted by the concerned Counseling Authority of that State/UT. **The permission of the college stands withdrawn if the college fails to comply with the aforesaid direction of the Central Government/NCISM for all India quota or the students admitted thereunder.**
8. Admissions made in violation of the above conditions will be treated as invalid and action will be initiated under NCISM Act & Regulations thereunder.
9.
