- 5) The submission made by the college during clarification and assessment report have been once again carefully re-examined in terms concerned Regulation and provisions under the NCISM Act, 2020 and relevant regulations thereunder and as per the direction of competent authority the assessment report along with clarification report was once again placed in the **128<sup>th</sup> Board meeting** of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) held on **24.06.2025** and **Board concluded that the college is fulfilling the criteria for issuance of permission in PG Course and not fulfilling the notified & requisite criteria for issuance of permission in UG (BAMS) Course as per the Concerned Acts and regulations. However, Board decided to issue yearly permission in accordance with regulation 54 (3) of MESAR UG Ayurveda regulations, 2024, under section 28 of NCISM Act, 2020 as per the approved Seat Reduction Policy in accordance of Section 28 (1) (f) of NCISM Act 2020 for failing to maintain the minimum essential standards for the Academic year 2025-26.**

**a) As per the seat reduction policy 2025-26:-**

**i) Teaching staff:-**

***"For deficiency of every one teacher, seat reduction in the intake capacity shall be considered by reducing the intake strength by 05% of total intake capacity".***

*All the colleges shall fulfill the requirement of teaching staff as mentioned in Schedule IV of MESAR 2024 and the availability of teaching staff for 60 and 100 intake capacity shall be 100% as the provision of conditional permission mentioned in the Regulation 3(3) of MSR-2016 is not available in the MESAR-2024. However, as per the revised policy letter issued on 20.01.2025, "The 10% Relaxation in the requirement of the teaching staff may be extended for the Academic year 2025-26. Therefore, the colleges with 60 and 100 intake capacity shall have minimum of 27 and 40 teaching staff respectively fulfilling the requirements of the individual departments separately".*

**After re-verification of the submitted clarification and the assessment report, college is having only 26 total eligible Teaching faculties.**

There is deficiency of 01 total teaching faculty as per the approved revised policy letter dated 20.01.2025 for issuance of yearly Permission under section 28 of NCISM Act, 2020 for the academic session 2025-26. Therefore, **in accordance of seat reduction policy 2025-2026, for deficiency of one teacher, seat reduction in the intake capacity shall be considered by reducing the intake strength by 05% of total intake capacity. As there is deficiency of 01 teacher, therefore seat reduction in the intake capacity shall be considered by reducing the intake strength by 05% of total intake capacity (i.e. Reduction of 03 seats).**

**ii) For Deficiency in Non-Teaching staff seat reduction in intake capacity shall be considered by reducing the intake capacity as under:-**

*For deficiency in the Librarian post seat reduction in the intake capacity shall be considered by reducing the intake strength by 01 seat. **As the post is vacant, therefore seat reduction in the intake capacity shall be considered by reducing the intake strength by 01 seat.***

*For deficiency of the Laboratory Technician post in the Dravyaguna, Roga Nidana and kriya Sharir Department, seat reduction in the intake capacity shall be considered by reducing the intake strength by 01 seat each. **As the post is vacant, therefore seat reduction in the intake capacity shall be considered by reducing the intake strength by 03 seats.***

iii) For Deficiency in Hospital staff (excluding group D staff) seat reduction in intake capacity shall be considered by reducing the intake capacity as under:-

For non –availability of 01 EMO seat reduction in the intake capacity shall be considered by reducing the intake strength by 01 seat. **As the post is vacant against the minimum requirement of 02, therefore seat reduction in the intake capacity shall be considered by reducing the intake strength by 02 seats.**

For non –availability of every 02 RMO/RSO/MO seat reduction in the intake capacity shall be considered by reducing the intake strength by 01 seat. **As the post is vacant against the minimum requirement of 09, as per the intake capacity therefore seat reduction in the intake capacity shall be considered by reducing the intake strength by 04 seats.**

iv) **For every 01% deficiency in Bed Occupancy, seat reduction in the intake capacity shall be considered by reducing the intake strength by one seat.**

Therefore as per the submitted clarification and the assessment report, college is having 45.15% of Bed Occupancy against the minimum requirement of 50% and there is **deficiency of 4.85%. Therefore, in accordance of seat reduction policy 2025-26, 04 seats are reduced from total intake capacity.**

v) For Instruments:-

**"For every 10% deficiency in instruments, seat reduction in the intake capacity shall be considered by reducing the intake strength by one seat."**

Availability of Mean of general and essential equipment's/instruments is **75.82%** against the minimum requirement of 100% and there is **deficiency of 24.18%. Therefore, in accordance of seat reduction policy 2025-26 seat reduction in the intake capacity shall be considered by reducing the intake strength by 02 seats."**

6) **Accordingly, after applying the seat reduction policy 2025-26 for Teaching staff, Non-Teaching staff hospital staff, Bed Occupancy & instruments under section 28 (1) (f) of NCISM Act 2020, college is fulfilling the basic eligibility criteria for issuance of yearly permission with 41 seats (51 seats including EWS) [instead of 60 seats (75 seats including EWS)] in UG (BAMS) course and 12 seats (15 Seats including EWS) in 05 PG courses in the subject namely-(i) Panchakarma-03 seats (04 seats including EWS) (ii) Kayachikitsa-03 seats (04 seats including EWS) (iii) Shalya Tantra-02 seats (03 seats including EWS) (iv) Shalakyas Tantra-02 seats (without EWS) (Opted for Shalakyas - Netra Roga Chikitsa 01 seats and Shalakyas - Karna, Nasa, and Mukha Roga Chikitsa- 01 seats, (v) Kaumarbhritya-02 seats (Without EWS) for the academic session 2025-26 under section 28 of NCISM Act, 2020.**

#### **"DECISION"**
